WELCOME TO THE MOON

A new world of travel

Set sail for new discoveries aboard *Silver Moon*

We have chosen our newest flagship *Silver Moon* to kick off this season of sailing in the Mediterranean. Offering an abundance of space, yet maintaining the famous Silversea small-ship intimacy, *Silver Moon* is the ideal ship to begin cruising again. With eight dining options including the lauded S.A.L.T. culinary programme, fewer than 300 suites, an almost 1:1 crew to guest ratio and spacious outdoor areas, the all-inclusive *Silver Moon* gives ultra-luxury options while making sure that your client's safety is guaranteed.

INTRODUCING S.A.L.T.

The Mediterranean is synonymous with the pleasures of the table. From the seafood bounty of the coast to its sunbaked lands flowing with olive oil and wine, the region is world-famous for canonical dishes and advancements on the frontiers of gastronomy. With S.A.L.T. (Sea and Land Taste), we look beyond typical tourist fare to understand the food and traditions of the region. With S.A.L.T. your clients will connect deeply with the rich heritage of each and every destination. S.A.L.T. integrates food, culture and travel like never before, with amazing and immersive food and drink experiences.

S.A.L.T. Lab

In this unique and interactive space your clients will be able to connect deeply with the rich heritage of each destination sailed to, as they join our talented chefs to learn how food is prepared and enjoyed in the region.

S.A.L.T. Bar

Nothing says travelling deeper better than *Silver Moon's* S.A.L.T. Bar. Your clients will get a taste for the authentic and settle down to enjoy locally-inspired cocktails and drinks.

S.A.L.T. Kitchen

A restaurant that changes recipes, flavors and experiences with every single destination your clients visit. That's S.A.L.T. Kitchen. Your clients will enjoy local cuisine wherever they go, for the most immersive travel experience possible.

SILVERSEA'S HEALTHY RETURN TO SAILING

At Silversea, our top priority has always been to safeguard the health and safety of our guests, crew, and the communities we visit. Partnering with leading medical experts and governmental authorities from around the world, the Royal Caribbean Group formed the Healthy Sail Panel to ensure that our guests can travel in luxury with unwavering confidence. Silversea Cruises has introduced a comprehensive, set of multi-layered, science-based protocols, which are informed and approved by the Healthy Sail Panel, will help to safeguard guests.

THE MOST NOTABLE CHANGES TO THE GUEST EXPERIENCE

Vaccination for all

All embarking crew and guests must have been fully vaccinated prior to sail date in order to board our ships. This requirement may differ according to region and country obligations.

Physical Distancing

Thanks to the intimate size of our ships and the abundance of space enjoyed by our guests, our ships can guarantee physical distancing with only minor reconfigurations to onboard public areas. Furthermore, we might sail at reduced capacity during the first months of our operations. Our flexible embarkation procedure will be further relaxed by the implementation of staggered check-in times at various locations on the pier. This will ensure ample space for every guest to embark in comfort and safety.

Verified Shore Excursions

Our itineraries have been revised to include only low-risk destinations with approved contingency plans. Guests wishing to go ashore in port will only be allowed to do so with a verified shore excursion party. These verified shore excursions ensure that all Silversea health and safety measures are met, including mandatory testing of all tour guides.

Testing for all

All crew and guests will be required to take a COVID-19 test prior to boarding. Only those who test negative will be permitted to board our ships. All guests will undergo pre-embarkation health screening including an enhanced health questionnaire and touchless temperature check.

Guests will also need to comply with local health regulations in the country of embarkation. These could include an additional COVID-19 test (PCR or other) that may be required to enter the country or port of departure. At this stage, safety requirements for travel are evolving very rapidly. The latest information regarding safety regulations for your client's voyage will be communicated to both you and them no later than 30 days prior to sailing.

Masks

In accordance with the Healthy Sail Panel and CDC latest recommendations, guests will be required to wear a mask in all indoor public areas, terminals and during shore excursions. Crew will be wearing masks at all times. Nevertheless, guests will not be required to wear masks while seated in restaurants, at tables in bars, and in outdoor areas in which physical distancing can be maintained. Silversea is constantly monitoring the public health guidelines and will modify its policies accordingly.

WHAT ELSE THEY NEED TO KNOW

Sanitation

Extensive cleaning and sanitation measures have been introduced to ensure the highest standards of cleanliness are met. These around the clock measures include constant sanitation of public and high-traffic areas. Suites will be disinfected twice daily. Departure terminals will be subject to continual disinfection on all surfaces both before and after embarkation. Where permitted, we will implement fogging to sanitise hard to reach and potentially hazardous areas.

Upon embarkation, guests will be provided with a portable sanitisation kit, which will include hospital grade hand sanitiser. Hand sanitising points will be placed in easily accessible and strategic points throughout the ship.

Enhanced Air Filtration

The highest grade of medical air filters (MERV 13 or HPA according to HVAC standards) have been installed on board our ships. On each of our ships, our HVAC systems supply fresh, filtered air from outdoors to all areas. This continual intake of fresh air means old air is replaced, with a full total air change per hour - well above the minimum required.

Medical Facilities & Expert Response

Our high-quality onboard medical care is stronger than ever, with enlarged teams of doctors and/or nurses on each ship, as well as state-of-the-art equipment enhancements. Additionally, all ships have been appointed with an Infection Control Officer. This person is responsible for ensuring that all enhanced sanitary measures are met. Our multi-level COVID-19 Expert Response Plan has been developed and approved by the Healthy Sail Panel to contain an outbreak if a positive case is confirmed. These protocols include tracing methods and notification of those who may have been exposed, as well as dedicated isolation and quarantine areas.

BOOKING WITH CONFIDENCE

The new itineraries will benefit from a compelling set of relaxed payment and cancellation terms such as: reduced deposit (of only 15%), relaxed commission (up to 60 days, guests can choose a cash refund for no penalty) and Cruise with Confidence terms (up to 30 days, guests can cancel and get 100% FCC).

'Cruise with Confidence' Program

With our Cruise with Confidence program, your clients can cancel their reservation up to 30 days before their sail date for any reason and receive a 100% Future Cruise Credit. Book by 31 May, 2021.

Safe, Timely Return Home

Silversea has developed a robust repatriation plan should any guest or crew member fall ill with COVID-19 while on board one of our ships. We have worked closely with local authorities to ensure that immediate medical attention is provided should the need arise, and have strengthened and upgraded our telemedicine consultations. Silversea will cover COVID-19-related expenses for onboard medical and repatriation costs.

COVID-19 Protections

Should authorities in a guest's country of residence prohibit travel or should a guest test positive for COVID-19, the guest will be able to cancel their booking without penalty, paying only an administration fee, or convert their booking into a 100% Future Cruise Credit up to sailing.

NOTICE: For U.S. cruises and guests: Prior to booking, please consult all applicable U.S. Centers for Disease Control travel advisories, warnings, or recommendations relating to cruise travel, available at <http://www.cdc.gov/travel/notices>. If a certain threshold level of COVID-19 is detected onboard your cruise ship during your voyage, your voyage will be ended immediately and the ship will return to the port of embarkation, and your subsequent travel, including your return home, may be restricted or delayed. For cruises and guests worldwide Health and safety protocols, guest conduct rules, and regional travel restrictions vary by ship and destination, and are subject to change without notice. Due to evolving health protocols, imagery and messaging may not accurately reflect onboard and destination experiences, offerings, features, or itineraries.
